DEDICATION

Miss Doris Halverson became librarian for Thornton Junior College in 1939 and has served continuously since that date. A graduate of Macalester College, she later received her B. L. S. degree from Drexel Institute.

Throughout the many years of her service at TJC, Miss Halverson's remarkable success as a librarian has stemmed from her interest in people, her ability to work with all types of students, her resourcefulness, patience, and tact.

Miss Halverson has made the library the part of our college where students were able to study quietly and efficiently. She was always willing and able to help students make the best possible use of all facilities. Many are the students who gave a sigh of relief when Miss Halverson showed them where to find a vital piece of information for a term paper. Her efforts in decorating the library at Christmas time and in setting up attractive displays of new books available have shown a true dedication to duty.

For all her kindly and thoughtful services to us and to those who have preceded us, we gratefully dedicate this book to Miss Doris Halverson, our librarian.

ADMINISTRATION

FACULTY

Dr. James D. Logsdon, superintendent of Thornton Township High Schools and Junior College, received his B. Ed. degree from Illinois State Normal University and his Ph. D. degree from the University of Chicago. He is very active in many organizations, especially those involved with high school education. In 1961 he served as president of the National Association of Secondary-school Principals.

While taking such an active part in secondary school organizations, Dr. Logsdon is vitally interested in junior colleges, an interest reflected in his many current activities. Dr. Logsdon is a member of the legislative committee of the Illinois Association of Junior Colleges; he is a member of the Illinois Junior College Advisory Committee; and he is the chairman of the Junior College Committee of the Illinois Association of School Administrators. Dr. Logsdon has recently been concerned with how the state's proposed master plan for Illinois junior colleges will affect existing junior colleges, including our own TJC.

Mr. Robert Hanrahan, our new administrative assistant, is kept very busy fulfilling all the duties given him by the superintendent. He received his B.S. and his M.Ed. degrees from Bowling Green State University in Ohio. In addition, he has done graduate work at the University of Illinois and at the University of Chicago. Mr. Hanrahan came to the Thornton Social Studies department in 1957. Later, in 1960, he was sent to Thornridge to perform the duties of class counselor. In 1964, Mr. Hanrahan assumed the newly created post of administrative assistant, supervising the office personnel of the district and assisting Dr. Logsdon.

Board of Education members (left to right): Mr. Robert H. Reese, Mr. Willis Gouwens, Mr. James T. Ozment, Mr. Henry Vandenberg (president), Mr. Herbert G. Greiner, Mr. Louis Boudreau, Mrs. Robert C. Pebworth. (Not pictured: Dr. W. Maurice Winston, succeeding Mrs. Marjorie Pebworth, who resigned to become an Illinois State Representative).

It is not mere chance that Thornton Junior College continues to rate high in the field of education. For the past eight years it has been fortunate in having Dean Lee Dulgar as its able administrator.

Students and faculty alike find him a dedicated man, never too busy to talk through a difficult problem.

Dean Dulgar received his B. Ed. degree at Eastern Illinois State Teacher's College and his M.A. degree at the University of Illinois.

After four years as Dean of Women, Miss Adelaide Childs has become a familiar figure on J. C.'s campus. As the sponsor of the Coed Club she has taken a very active part in school affairs. Although a great deal of Miss Childs' time is spent in helping freshmen women make the adjustment from high school to college, both freshmen and sophomores find the door to her office always open. In Miss Childs they find a friend and a counselor to help with both academic and personal problems.

Wherever there is activity at J. C., there is also Mr. Byron Kee, Thornton's Dean of Men. Whether counseling the J. C. Men in his office, discussing Men's Club problems in the hall, or merely taking a quick cup of coffee in the Union Room, Mr. Kee is always ready to listen to problems and try to help solve them. His three years as Dean have made Mr. Kee respected and well-liked by all students.

Mr. J. A. Peterson, business manager for Thornton Township High Schools and Junior College.

Dr. Ernest M. Hanson, director of research for Thornton Township High Schools and Junior College.

Mr. Harold Doster, building superintendent of Thornton High School and Junior College; Mrs. Williams, his secretary.

IN MEMORIUM

Mr. Paul W. Liehr, TJC instructor in Engineering Graphics, although a recent addition to the College faculty, quickly earned the respect and admiration of both students and faculty. A long time member of the high school faculty, he brought to the College the benefits of long experience and very considerable technical skills. Mr. Liehr was known for his patience, industry, and understanding of students and their problems. We honor his memory.

CHORAL CLUB

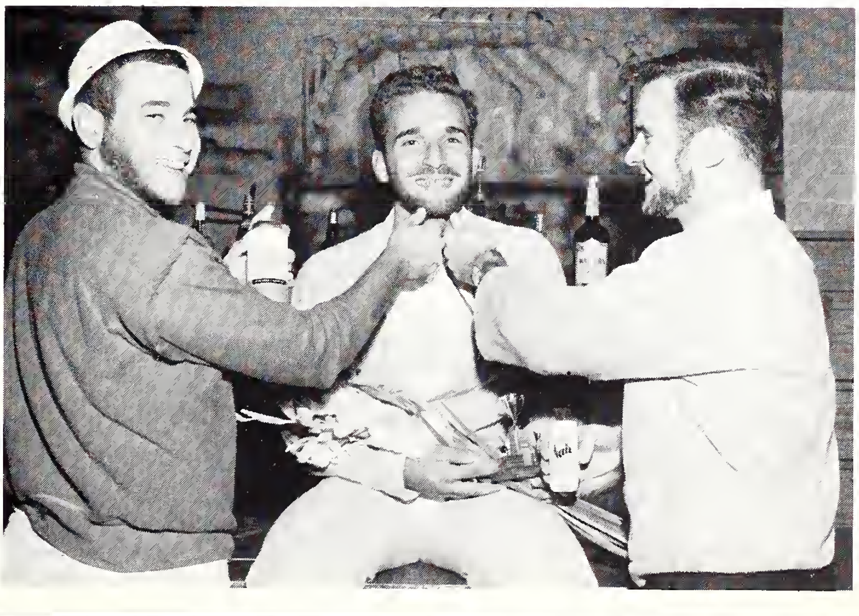
CIRCLE K

The Circle K Club, in its second full year at T.J.C., was very busy. In the fall, members sold mums and printed programs for Homecoming. During the basketball season they made programs and distributed them free of charge. Rides were provided for a handicapped group in the Harvey area. Money was donated to the United Fund of Harvey and other community organizations. The club also sponsored the U.M. A.T. Dance.

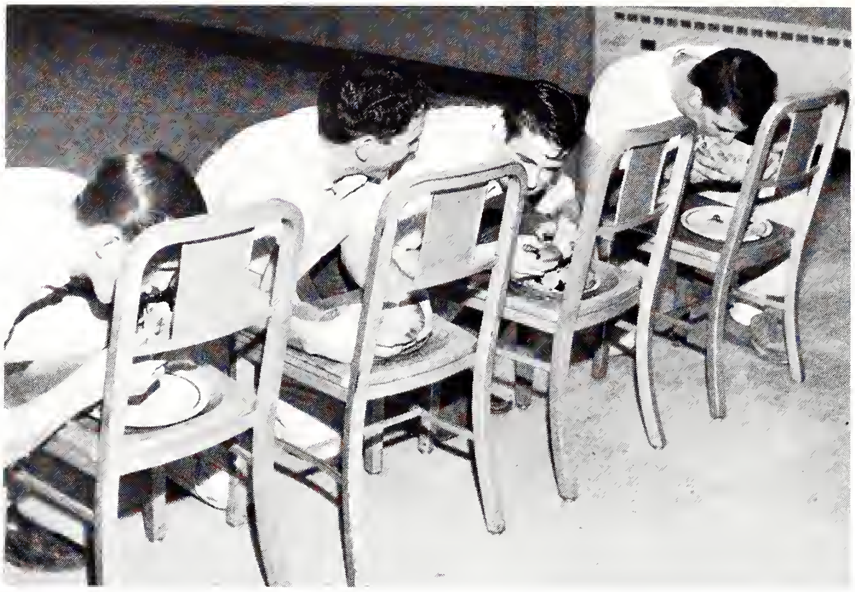
Loads and loads of preparation went into the First Semester Mixer, entitled "Old Town," from the day we drove a Volkswagon into the Gym until the actual day for the Mixer. It really looked like Old Town--it even had an art exhibit by the T.J.C. teachers. And to make it look even more like Old Town, fellows were walking around with beards for the last night of the Beard Growing Contest. Everyone got a chance to mix and dance to the music of the Playboys. The general chairman of the Mixer was Mary Ellen Haney, and the decorations chairmen were Mary Ellen Sullivan and Bill Synovic.

MIXER



Winners in the Beard Growing Contest. Al Freiden, Second place; Jerry Ferrara, First place; Ray Sims, Third place.

SMORGASBORD



Big Eaters at the Smorgasbord. Tom Kelly, Ed Kries, Ken Schlaudraff, Tom McCollom.

The Epsilon Smorgasbord was one of good food and good entertainment. The dinner entertainment was climaxed with a special surprise guest -- Mr. T. --a live turkey. He seemed to do a good job of entertaining the students.

After dinner there was square-dancing, a pie eating contest, and a pumpkin rolling contest--one for the women and one for the men.

Everyone had a good time, and the food-beef sandwiches, side dishes, and dessert--was all eaten.

FACULTY TEA

Audrey Lale being welcomed by Linda Sopko, Dr. Logsdon, Joyce Ustian, Dean Dulgar, Miss Childs.

The Faculty Tea, "Teacher's Pet," started the year off right for the coeds at T.J.C. At the tea, the faculty and coeds celebrated Dean Dulgar's birthday. Eta Sorority sponsored the affair and were happy to see that all had a good time!

Mr. Mendenhall samples the coeds' hospitality.

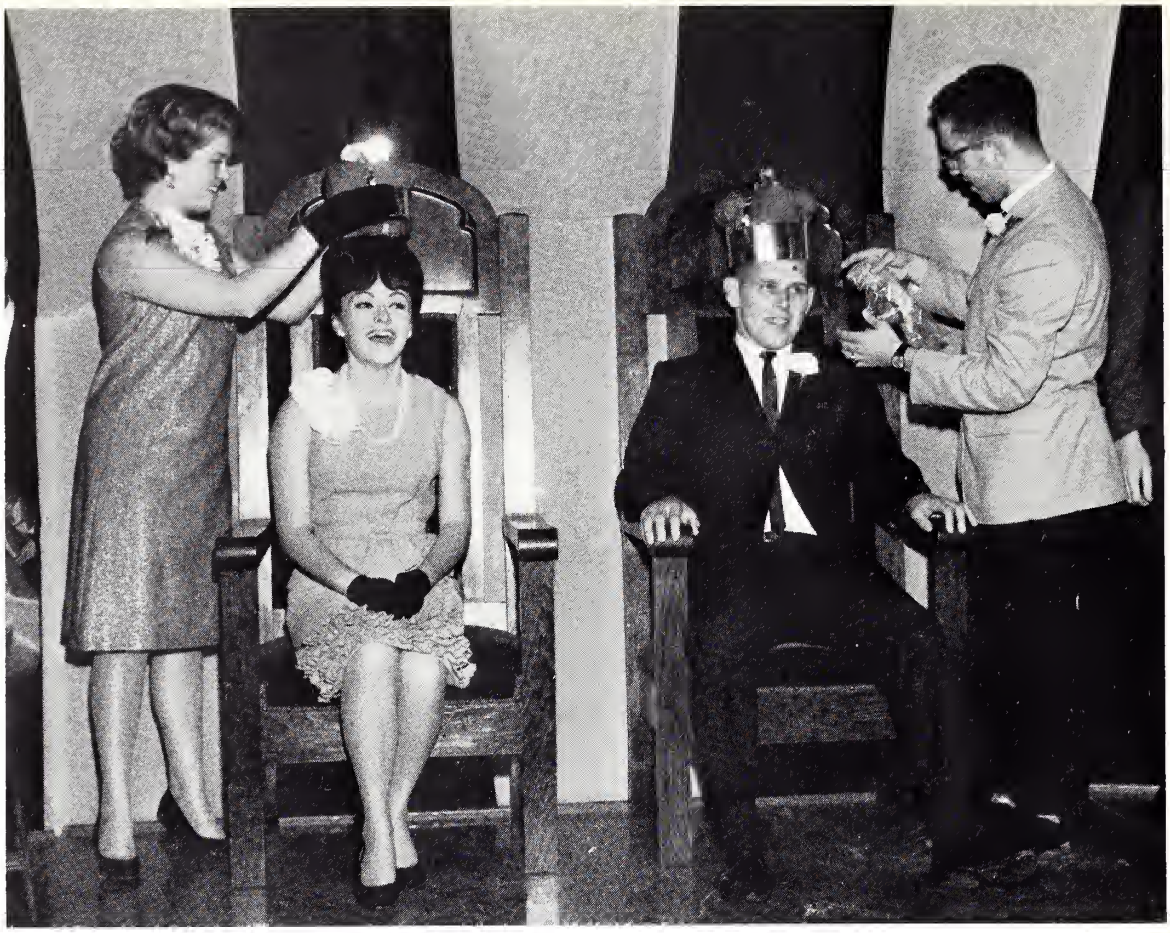
THE GAME

It was a large crowd that watched Thornton beat Joliet 2-0.



The coronation: Gail Dunker (63-64 Queen), Mary Ellen Haney (Queen), Dave Kolton (King), Sam Belmonti.

THE COURT

This year's Homecoming dance will be remembered as successful as well as unique. The music of the King Jaros Band seemed to envelop the dancers in an enchanted mood, and the Camelot scenery lent an authentic background to "A Knight to Remember."

The gym was transformed by brick walls, thrones, and velvet draperies into a replica of a medieval castle with authentic surroundings. Mary Ellen Haney and Dave Kolton reigned as Queen and King.

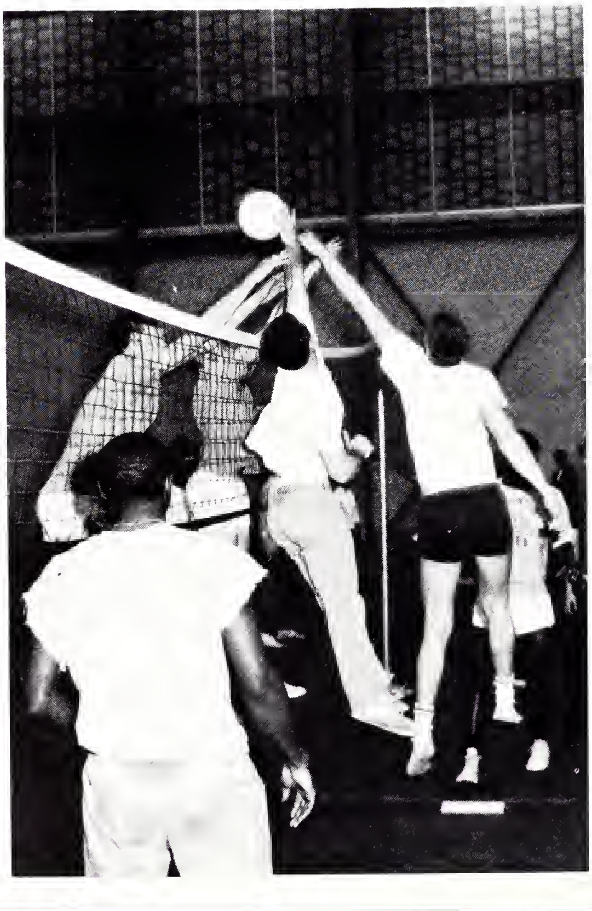
THE DANCE

GYM JAM



T.J.C.'s Student Senate sponsored four Gym-Jams during the school year. The first two were held in the Gymnasium but the new Fieldhouse was available for the spring semester. Gym-Jam activities included basketball, volleyball, swimming, ping-pong, and badminton, with dancing at the end of the evening.

EXIT

MIXER

Ultra-modern figures danced across the walls as the T.J.C. students got together at the second-semester mixer. As the music of the fabulous Playboys resounded from the walls, the lively students did the Jerk, the Swim and the Barracuda. The turn-out was far better than Candy Wolfe, chairman, and her committee expected. Over 200 students and their guests were happily entertained by the Windfall Singers and a group of unbelievable coed members. All in all, the mixer can be chalked up as another very successful Student Senate activity. Many thanks are owed Mr. Ray Sherman, their sponsor for his unfailing devotion and his ready help in all their undertakings.

Did they get their dates for the Staggette?

DAD DAUGHTER BANQUET

The Dad-Daughter Banquet was held at Cavallini's Restaurant on February 18. After a chicken and beef dinner, the guests heard a tribute to fathers by Carol Gustafson, answered by her dad. The entertainment for "The King and I" consisted of five scenes humorizing typical father-daughter situations. The banquet, which was Beta sorority's social event, was enjoyed by all who attended.

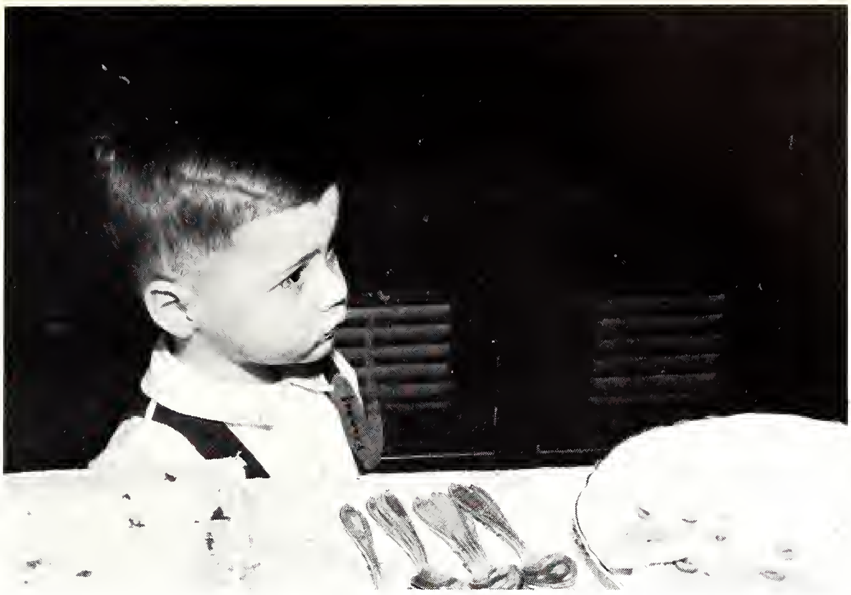
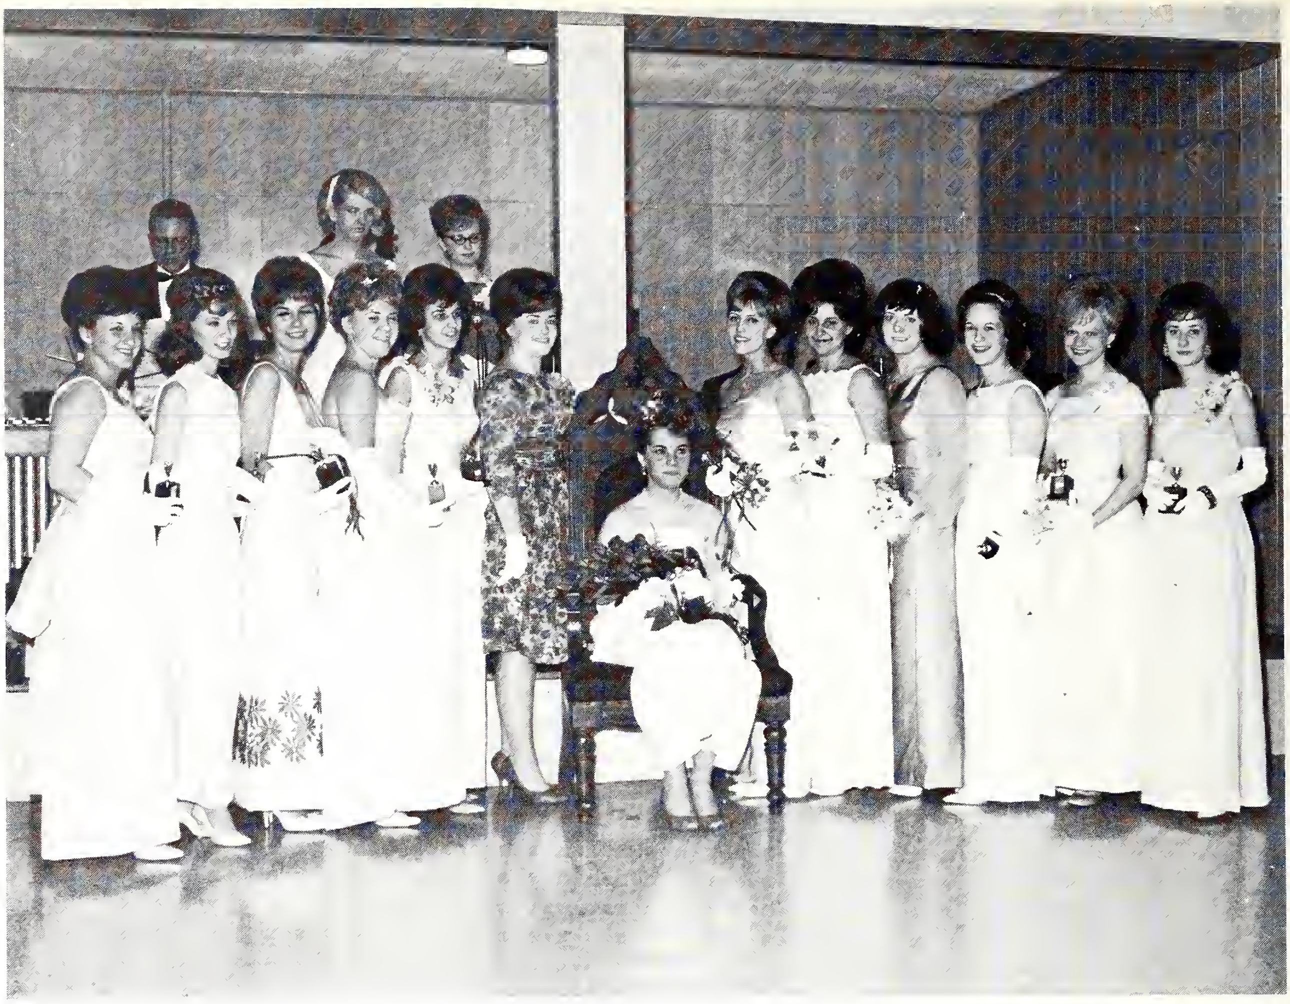
"LEPRECHAUNS AND LOLLIPOPS

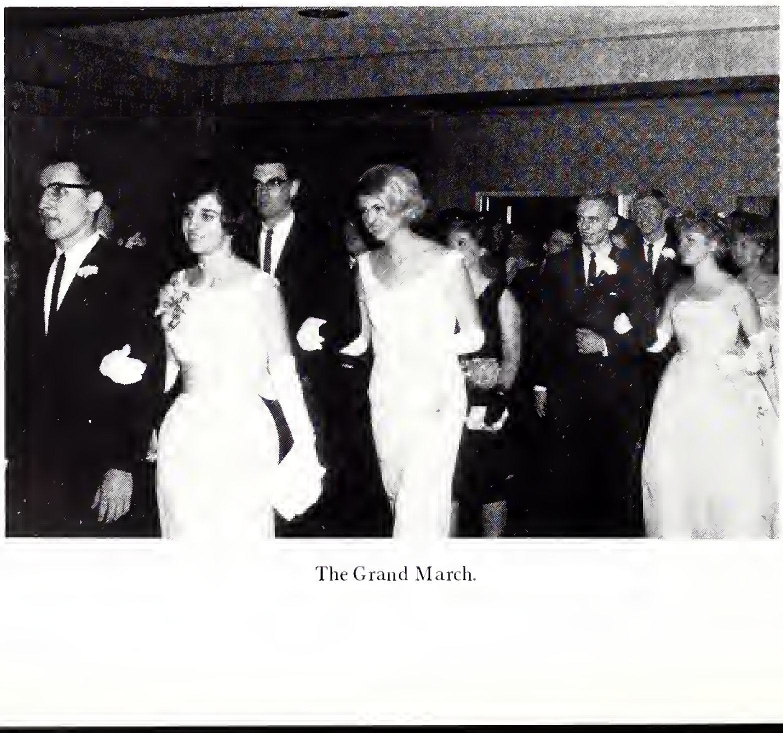


"Leprechauns and Lollipops" was the theme of the Alpha sorority's March tea, given for the children on the faculty. Dorothy Szcelina was chairman of the event. Both the Coed room and the Men's Club room were decorated with shamrocks and leprechauns. Joy Fisher and Kathy Machinis dressed as leprechauns, and gave each of the children a lollipop and played games with them. The entertainment included a dance and poems for the children. 'Tis a sure thing that everyone had a good Irish time.

STAGGETTE



Staggette Court. Linda Sopko, Lorrie Johnson, Dorothy Szcelina, Lauren Noetzel, Joyce Ustian, Nancy Garrison (1964 Sweetheart), Carolyn Leick (Sweetheart), Joan Van Haren (Maid of Honor), Joanne Pompa, Candy Wolfe, Barbara Bailey, Judy Gardner, Pat Ustian.



The Grand March.

The Staggette is the annual Coed Club turn-about dance. This year the dance was called "A Taste of Honey" and was held at the Lincolnshire Country Club. The climax of the evening was the crowning of this year's Sweetheart, Carolyn Leick, and the announcement of the Maid of Honor, Joan Van Haren.

MOTHER DAUGHTER BANQUET

Mrs. Haney delivers the Salute to the Daughters.

Mary Ellen Haney delivers the Salute to the Mothers.

The annual Coed Club Mother-Daughter Banquet was held at the Beverly Woods Restaurant. Kappa sorority was in charge of the event. Each mother received a pink carnation from her daughter. Mary Ellen Haney gave the tribute to mothers, and Mrs. Haney gave the tribute to daughters. The evening was highlighted by a fashion show, put on by the Cameo Shop of Chicago.

"PINK PANTHER"

After two weeks of Christmas vacation, getting back to the routine of school is usually difficult, but Gamma Sorority was found working hard on their open house for the male population of the school, scheduled for that first Thursday afternoon after vacation. The pink and purple decorations, Gamma's "little Miss Panther," and the crowning a Mr. Panther were to entice the men into coming and to promote the theme: THE PINK PANTHER.

The men were invited into the Coed Room, one of the few times of the year this offer is extended, and were offered miniature "torpedo" sandwiches and cider, while being entertained by a sensational college group, The Windfall Singers.

PARKING LOT

TJC's parking lot has caused a great deal of commotion in recent months. Students are constantly complaining of chuck holes, mud, water, and submarine attacks.

These complaining students seem to overlook the historical value of the parking lot. Before TJC acquired the lot from the Indians for $24, it was the most favored fishing spot west of the Mississippi.

It is also rumored that it was here that John Paul Jones learned the rudiments of his sea-cunning. Also, the present parking lot was the scene of many athletic events. Hearty lumberjacks used to have thrilling log-rolling races and that is where the logs come from which presently divide our parking lot.

In the winter, barrel-jumping contests were held, giving many outdoor men hours of good, clean recreation. The men were true sportsmen who enjoyed the challenge of nature.

During the Civil War, the lot was the last vantage point of the North. General Lee said that if he could have crossed the parking lot, the South might have won the war.

Packed with historical significance, the parking lot should be the pride and joy of all persons interested in living in the PAST.

Two new sports and a new fieldhouse are among the new additions to the TJC athletic program. Cross country and track both did exceptionally well for their first season in league action. All the athletic teams will benefit from the modern facilities of the fieldhouse.

The sports season started off exceptionally well as the football team overcame hard foes to win the Northern Illinois Junior College championship. A total of twelve players were named to the conference all-star team.

After many ups and downs the basketball team managed to finish the season with 10-13 record with only four players returned from the previous year's championship team.

The baseball team, after finishing the previous year sixth in the nation, could not get the momentum to duplicate that record, even though most of the regulars returned from the previous season. The team still managed to finish with a winning season.

The golf, track, and tennis teams each finished with commendable records.

BULLDOG CAGERS FINISH SEASON WITH 10—13 MARK

At certain times this season the Thornton Junior College basketball team displayed brilliance on the courts. After capturing five of its first seven games, the Bulldogs tapered off to a disappointing seven game losing streak. After the semester break, the team went on to win six of its next seven games, finishing the season with a 10-13 record.

In the Region IV qualifying tournament, Thornton defeated heavily favored Wilson 51-49, in the most exciting game of the year. In the tournament final Thornton game nationally ranked Joliet a battle before bowing 79-63.

Graduation will take away several valuable players, although returning next year will be Scott, Pearson, high scorer of this year's team, Jim Thrash, LeRoy Brody, Paul Owens, and Les Peterson.

Under the guidance of coach Don Williams, the 1964 Thornton Junior College had a most successful season.

During the conference season, the team finished with a 6-1 record and finished for a tie for first place in the Illinois Junior College Conference Tournament.

Jack Grezick, captain of the Bulldogs, played the doubles with Ralph Neiman. First and second singles were handled by Ed Adams and Tom McCullom.

Next season the team looks forward to a good year, with two of the four starters returning.

After a mediocre season, the golf squad rebounded to win the conference golf meet and place third within one point of the conference championship. The squad competes in Joliet for the sectional crown and a trip to Michigan during May.

WRESTLING

For a new sport at Thornton Junir College, the wrestling team did very well in its first season coached by Richard Nickelsen, by placing fourth out of six teams in the conference meet. Captain Jim Krygier placed first, J. Anderson and Larry Thornmeyer placed second, and Barney Eihler placed third. In the region IV qualifying meet Thornton finished third. Next year the team should be much better with both Krygier and Thornmeyer and many prospective incoming freshmen competing.

CROSS COUNTRY

Cross Country Team: (front) Mr. Baker (Coach), Jim Krygier, Tom Dennison, Charles Halbert. (back) Glenn Stone, Jim Thrash, Don Masterson, Dan Masterson.

The Thornton Junior College Harriers had an extremely successful first season, with a winning dual meet schedule, placing second in the conference, third in the regional, and thirteenth out of 257 competing teams in the National Championship.

The team was paced by co-captains Don and Dan Masterson. The twins were supported by Charlie Halbert, Jim Thrash, Jim Krygier, Glen Stone, and Tom Dennison.

Although the top three men will graduate, prospects for the coming year are good, with three lettermen coming back and fine prospects in the upcoming freshmen class. The team looks forward with anticipation to the use of our new indoor track facilities next year.

TRACK

The 1964 track team, coached by Pete Schoss had an overall winning year in triangular track meets and finished fourth in the conference meet. Don Masterson placed fourth in the 440 while his brother Dan placed second in the mile. Craig Maxell won the pole vault event and Len Aubrecht finished third in the broad jump.

Even though we did not have a track at school last year, the players participated in practice at neighborhood schools. This year the team looks forward to the new indoor track facilities at the new field house.

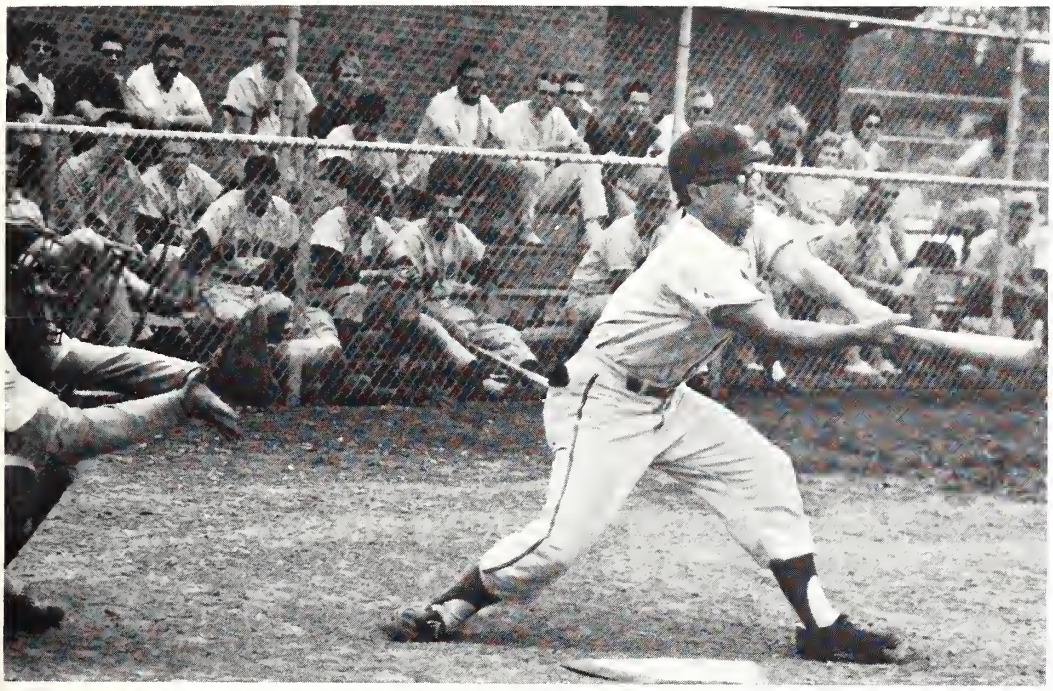
BASEBALL

Following a very successful 1963 season, when Thornton went to Colorado where they tied for fifth in the nation, the 1964 team had the task of trying to repeat the previous year's feat. With much of the 1963 team returning, a great deal was expected of the 1964 team. In general, it was a winning season, but the team fell short in the tournament.

With all of the team's pitching graduated, the 1965 team will have to center itself aroung offensive power and defensive fielding. If Coach Carlson can solve this problem, the 1965 team could again come out at the top of the N.I.J.C. Conference.

One moment the camera captures Wayne Marley's powerful swing . . .



. . . and the next moment he is being congratulated by Thornton players as he crosses the plate with a home run.

In the cloud of dust around home plate it is hard to tell whether this Thornton runner is safe or out.

NIGHT SCHOOL

The Thornton Township Junior College program, made available during the evening hours under the auspices of the adult education program, has shown a considerable growth for the fall of 1964. The brochure listed seventy-five college classes, requiring the employment of seventy-four certified faculty members.

There were 780 men and 490 women in 1,831 class enrollments. The evening program provides opportunities for adults to continue their education towards a two-year junior college diploma and provides special training in electronic and mechanical technology.

This adult education program also includes classes directed towards high school diplomas, trade extension, home economics, job training and many special interest areas. The program includes opportunities for basic education as well as for graduate credit courses.
